

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are angular and layered, creating a sense of depth and movement. The central text is positioned within a white, irregularly shaped area that is defined by these green shapes.

Sustainability Projects life cycle

Sustainability Projects life cycle

Identify deliverables and measurable criteria

- Identify a topic/issue
- Determine beneficiaries
- Choose the right partner

Create KPIs

- Number of beneficiaries
- Difference made on people's life.
- Implementation time.

Measuring outcomes

- Continuous follow up
- Provide advice and comments
- Check possible extra milestones during implementation

Evaluation, Learnings, Reporting

- Budget Vs Number of beneficiaries.
- Target Vs actual results.
- Partner's performance.
- Possible enhancements/developments.
- Quarterly progress reports.
